The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 126 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign :—

(*a*) If, from any circumstances, the Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b*) If the number of persons belonging to the Naval Forces or Naval Reserve Forces specified in the Admiralty Regulations on board is less than 7, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number is caused by death, sickness, desertion or joining a British Man of War, or by some unavoidable casualty.

(*c*) If it should be found that, although the ship is provided with an Admiralty Warrant, the above Regulations are not complied with, the Admiralty Warrant should be obtained and transmitted, with report to the Admiralty if the Commanding Officer is on the Retired List of the Royal Navy and to the Registrar General in all other cases.

(*d*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty or Registrar General of Shipping and Seamen as the case may be.

DISABILITY RETIRED PAY.

(NOTE.—*The regulations governing the award of pensions and gratuities to Officers in respect injuries incurred prior to 1st October*, 1921, *are given in the King's Regulations and Admiralty Instructions*, 1913, *and earlier editions.*)

1. Consequent on the re-transfer to the Admiralty, as from 1st October, 1921, of certain powers and duties assigned to the Ministry of Pensions during the late war, the following scheme of compensation in the form of an addition to retired pay, or in certain cases, in the form of special rates of retired pay, for Officers who are suffering from disabilities (whether due to sickness or to wounds or injuries) which are directly attributable to the conditions of service on or after that date, replaces the compensation (limited to cases of wounds or injuries sustained on duty) previously provided by the regulations of Chapter LII. of King's Regulations and Admiralty Instructions (1913 edition), and similar regulations.

2. Except as referred to in paragraph 3 below, the scheme applies only to Officers placed on the retired list or discharged from the Services on account of sickness or injury which is certified by the Naval Medical authorities to be directly attributable to the conditions of service on or after 1st October, 1921. Cases where the sickness or injury is proved to be attributable to or aggravated by service prior to 1st October, 1921, are dealt with under Ministry of Pensions regulations and/or under the regulations given in Chapter LII, King's Regulations and Admiralty Instructions (1913 edition), and similar regulations, where applicable.

3. In certain special circumstances, however, given in Schedule III., paragraph 6, below, the scheme applies to Officers who may sustain injuries on duty on or after 1st October, 1921, which do not necessitate their retirement or discharge, but no compensation will be payable to such Officers while they remain on the active list or continue in employment.

4. The scheme supersedes, as from 1st October, 1921, the regulations regarding wound and injury pensions, increases to retiring allowances, and gratuities, laid down in Chapter LII. King's Regulations and Admiralty Instructions (1913 edition), and other similar regulations and provision for disability pensions to subordinate Officers laid down in Article 1921. Accordingly awards of any kind will be made under such regulations in respect of wounds or hurts sustained or contracted subsequently to 30th September, 1921. The issue of hurt certificates to Officers should, however, be continued as at present directed in Article 1419 of the King's Regulations and Admiralty Instructions, in order to facilitate the award of compensation under these new regulations to an Officer on retirement or discharge.

5. Provision is made in the scheme for Officers of the Royal Navy and Royal Marines who may be disabled on duty while seconded to the Royal Air Force.

6. The following regulations apply generally as stated therein and above to Officers of the

(i) Active Lists of the Royal Navy and Royal Marines, including Temporary Officers

(ii) Special Reserve of Engineer Officers, R.N.

(iii) Royal Naval Reserve.

(iv) Royal Naval Volunteer Reserve, including Temporary Officers, when on service for which pay is issued from Naval Funds, and

(v) Commissioned Officers of the Royal Marine Police Force.

They do not apply to Officers of the:—

Permanent disability retired pay is commutable der the conditions applicable to Service retired y. Permanent disability additions to Service ired pay are not commutable but for the purpose determining the amount commutable under a. 4, Service retired pay and permanent ability addition thereto will be aggregated.

4. 7. An Officer desirous of commuting a part of his retired pay must make application on the prescribed application form which can be obtained from the Secretary of the Admiralty. An application shall be deemed to be made as on the date on which the prescribed form duly completed is received at the Admiralty during the hours of public business, but not before the date from which payment of retired pay actually commences.

An Officer who has been adjudicated bankrupt or has had a Receiving Order made against him or is indebted to public funds, must disclose the facts and circumstances at the time of his application.

8. If the Admiralty shall think proper to recommend the commutation, the Officer will be so informed, and his letter of application will be forwarded to the Commutation Board, from whom he will receive further instructions. The fact that an Officer's application has been recommended by the Admiralty to the Commutation Board must not be taken to imply that the application will necessarily be approved by the Commutation Board and the Treasury.

9. The Commutation Board will require him to give such information as to his health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination at the Office of the Board, 19, Old Jewry, London, E.C.2. be made, but it should be understood that a considerable time may elapse before payment of any capital sum awarded can be effected, especially if the applicant is residing in a distant part of the world.

Officers who intend to proceed abroad should therefore endeavour to complete all formalities before doing so. In other cases, a certain amount of time could perhaps be saved if the Officer appointed a friend or agent in England to whom the Pensions Commutation Board could communicate the result of the application, and who could then advise him by cable, if desired, in advance of the formal notification posted by the Board.

10. If an applicant neglects or refuses within a period of seven months after the date on which the application was made to furnish information required by the Pensions Commutation Board or to attend for medical examination, no further steps will be taken by that Board without a renewed application from the person proposing to commute, and a further recommendation from the Admiralty.

12. Applicants for commutation will continue to draw the retired pay which they have applied to commute until the date upon which the warrant for the Treasury Award is handed by the Pensions Commutation Board to the National Debt Commissioners, or until seven months have elapsed from the date upon which an application to commute was received at the Admiralty whichever is the earlier.

If the Pensions Commutation Board are unable to recommend commutation and the Treasury concur, the applicant will be informed accordingly. If the application is granted, he will be informed of the amount of money to be paid in commutation as soon as it has been fixed by the Treasury on the recommendation of the Pensions Commutation Board. The approved sum will be immediately available for payment. The applicant will, however, have the option of withdrawing his application on the payment of a fee of £5 within 30 days after the date of despatch of the Notice of Award, but, in exceptional circumstances or where the distance is so great as to make it impossible for a reply by post to be received within 30 days, the time may be extended to such a period as the Treasury directs. If the applicant shall not withdraw his application and pay the above fee within that period, the decision will be considered final, and the commutation will take place absolutely. Officers must not assume that the recommendation of the Commutation Board will be necessarily approved by the Treasury and should make no arrangements depending on commutation until informed by letter from the Commutation Board of the amount awarded.

13. The Admiralty have full discretionary power to forward, or to refuse to forward, applications for commutation to the Commutation Board, especially in the cases of persons reported for misconduct, desertion of family; of persons under stoppages of Pension by Bankruptcy Orders; of persons leaving to go abroad and leave their families a burden on the public; and such like cases.

14. If any applicant for commutation wilfully makes any false declaration in relation thereto he shall be liable to forfeit all claim to his retired pay or the value thereof, and to imprisonment, or fine or both.

15. Retired pay or pension commuted in whole or part is finally surrendered, in the same way that the amount received in commutation becomes the absolute property of the Officer commuting. The basis of assessing present value covers the possibility of the Officer outliving the given number of years' purchase as well of his predecessors.

16. The Widows of Officers who commute will be granted Pensions according to the usual rate, provided:—

(*a*) That they married before date of commutation.

9. Allowances to the legitimate children of deceased Officers may be granted at the discretion of the Admiralty at the following rates, provided it be shown that the children have no other allowance, pension, or provision from the public on account of the Officer's services, and that in cases where the Officer died in circumstances which would entitle the widow to a pension at the ordinary rate, their pecuniary circumstances, or those of their family are, in the opinion of the Admiralty, so limited that they actually require assistance.

The date of commencement is, however, at the discretion of the Admiralty and in fixing the date account will be taken of any delay on the part of the widow or other relative in applying for such pension or allowance.

21. The benefits granted by these regulations to the widows and other dependants of Officers on the permanent lists shall be extended, subject to the other conditions here laid down, to the widows and other dependants of Officers of the Reserve Forces, or of Officers entered for temporary service only, provided that they die in circumstances which would, had they been on the permanent lists, have entitled their widows to a pension at the attributable rate.

22. C. General Rules governing Disability Pensions.

1. The foregoing scales of compensation for attributable and non-attributable disabilities will be subject to reduction, at the discretion of the Admiralty, in the event of the cost of living falling considerably as compared with the standard cost which prevailed when these scales were established. Such reduction, if made, will apply to all pensions assessed thereunder which are being drawn at the date of reduction, as well as to future grants.

2. If any person, on being invalided from the Service, is suffering from two separate and distinct disabilities, and is eligible in respect of one of them for a grant under the Regulations of the Ministry of Pensions, and in respect of the other for a grant under these Regulations, only one grant will be made in respect of both. This grant will be assessed partly under the Regulations of the Ministry of Pensions, and partly under these Regulations. When the invaliding disability is attributable to the Service the grant will be assessed according to the proportion which the percentage of the peace and the war disability, respectively, bears to the sum of the two percentages added together ; the assessment under these regulations being so regulated, however, as to ensure that the total grant made shall not be more than the person would receive if the two disabilities were dealt with as one combined disability under the Regulations of the Ministry of Pensions, nor less than he would receive if they were so dealt with under these regulations.

3. Where a seaman or marine is injured in such circumstances that a pension, allowance, or grant is payable to or in respect of him under these regulations, and where he receives compensation from or on behalf of a third party for the act, omission or circumstances which caused the injury, any such compensation may be taken into consideration in assessing any pension or grant which might be awarded to or in respect of the man ; and where the compensation is received after assessment it may be taken into consideration and the assessment may be amended or cancelled accordingly.

If, in the opinion of the Admiralty, a seaman or marine either unreasonably refuses to prefer a claim for compensation against the third party or unreasonably accepts an inadequate amount of compensation from such party, any pension or other grant which may be or may have been awarded to or in respect of the man under these Regulations may be withheld or reduced at the discretion of the Admiralty.

4. When the cause of invaliding is due to negligence or misconduct on the part of the man, or to his want of proper care, pension or gratuity may be withheld, or awarded at such reduced rate as may be thought fit.

5. It is a necessary condition in order that a man may be qualified for the award of a pension (service element) on being invalided that he has re-engaged to complete time for Long Service Pension (or to complete 21 years' service in the case of a Royal Marine) or that there is a reasonable presumption that he intended to complete the full period of service but was prevented by the invaliding from doing so.

6. Continuous Service ratings of the Royal Navy who entered prior to 1st October, 1921, under regulations which conferred a claim to a life pension, if invalided, after 10 years of service on the continuous service system, may be granted 1*s.* a day service element) for life.

(*a*) Seamen and Royal Marines who are in receipt of naval pensions for life (other than deferred marine pensions), and are qualified by age, may be granted, at the discretion of the Admiralty, an age pension at the appropriate rate as from 1st April, 1919, or from the date on which the qualifying age is attained, whichever may be the later. Claims to arrears in respect of any period prior to 1st April, 1919, will not be admitted, notwithstanding apparent eligibility; all awards previous to that date having been made by selection according to the funds then available.

(*b*) These pensions are only for those who have served as seamen or marines, except in the cases of Yard craft personnel and Riggers on the Wages List, who are specially provided for in sub-clause (*f*).

If at any time during the probationary period an officer is found to be unsuitable, he will revert to sea service or corps duty.

During the probationary period, officers will be allowed the option of reverting to sea service or corps duty after they have had sufficient time to find out by actual experience whether they are suited for the work.

The period of probation will be spent under training as follows :—The first year's training will be under the direction of the Inspector of Naval Ordnance, Woolwich, including inspection, visits to Cordite Factory, Ordnance Factory, shell and steel makers' works and the Research Department. During the second year they will join the R.N. College, Greenwich, for a course lasting about eight months in metallurgy and chemistry, the instruction in the latter relating principally to explosives, propellants and metals. During this period, visits will be arranged, as requisite, to the Research Department at Woolwich, and other similar establishments.

Officers who, at the end of the probationary period, are finally selected for permanent appointment under the scheme will not be eligible to revert to sea service or corps duty.

Officers will be interchangeable, so far as efficiency permits, between the various branches, though it is contemplated that some will display special capacity and preference for a particular branch, and it may prove to the advantage of the service to allow such officers to devote a large proportion of their service to that branch.

In order to give opportunity for judging the relative suitability of officers for the various types of work, for the first eight years after the completion of the probationary period, officers will normally be appointed for terms of two years only. Endeavour will be made to give each officer one period in the Design and Research Departments, though the number of posts available will not permit this to be done in all cases.

Appointment to the senior posts and higher posts (paragraph 4) will be in vacancies, and will be made solely by selection.

After the initial ten years mentioned above, appointments will be normally for four years.

NOTE.—

(*a*) The number of posts permits of a proportion of officers only obtaining higher posts. An officer may hold one of the higher posts more than once, but only in exceptional circumstances will he hold one more than twice.

(*b*) The duration of all appointments will be subject to the exigencies of the Service, and while, in normal circumstances, the duration will be as given above, appointments may be curtailed or extended at the discretion of the Admiralty.

(*c*) Officers subject to this scheme will not be borne on ships' books or included in Vote A, either during the probationary period or after. While still on the Active List, they will be supernumerary to the establishments of officers of their particular ranks.

3. *Rank, etc.*—The Naval rank corresponding to each post is prescribed in paragraph 4. Precedence and control within the departments is determined by the post held.

Officers are to wear uniform only when serving with officers of the Navy, Army or Air Force wearing uniform, or when otherwise required.

The uniform worn is to be that of the rank corresponding to the post (*see* paragraph 4).

The special grant of steps in rank after retirement (*see* paragraph 13) will be limited to what is required to give an officer the rank corresponding to his grade (*see* paragraph 4).

A Lieutenant-Commander occupying a group (*d*) post on retirement will remain a Lieutenant-Commander unless he is eligible for higher rank under the ordinary general Naval rules in force.

Active service officers appointed to any of the posts in the ensuing paragraph, who do not already hold the rank appropriate thereto, will be given acting rank, as necessary, until placed on the Retired List.

None of the above conditions affects the pay of the officers in question while employed, which is dealt with in paragraph 4.

(*c*) Disability additions to service retired pay, payable under the provisions of Schedule I, sections 1 and 2 of Order-in-Council dated the 11th day of October, 1923, or under corresponding provisions of any subsequent Order-in-Council, to remain in issue, the service retired pay being suspended.

(*d*) An Officer awarded disability retired pay under the provisions of Schedule I, section 3, of the above-mentioned Order-in-Council or under corresponding provisions of any subsequent Order-in-Council, to continue in receipt of such portion of his disability retired pay as the Admiralty may decide to be equivalent to the disability addition which would have remained in issue to him under clause (*c*) had he been eligible for service retired pay, the remaining portion of his disability retired pay (deemed to be the service element) being suspended.

E. Allowances will be granted towards the cost of outfit, the amounts of which will be determined according to the circumstances at the time.

3. *Promotion.*—Officers called from the Retired List during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List, in so far as promotion is dependent on service, *e.g.*, a Warrant Officer may be promoted to Commissioned Officer from Warrant rank on completing 10 years as Warrant Officer on the active list and during re-employment.

Such Officers may also be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List, provided that such special promotion does not extend to the granting of Flag rank or of any equal relative rank. As a rule, however, such step in rank will not be granted until the Officer has ceased re-employment.

4. *Employment in time of Peace.*—Vice-Admirals placed on the Retired List and continued in appointments as Admirals Superintendent of H.M. Dockyards will receive full pay as prescribed in paragraph 2, and, in lieu of receiving a bonus thereon, will count their service in such appointments after retirement from the Active List, for increase of Retired Pay on the Vice-Admirals' scale. This regulation applies only to officers appointed to the posts in question on or after 1st October, 1931.

Other Retired Officers may be voluntarily re-employed in time of peace under the terms of either of the undermentioned Orders in Council as the Admiralty may deem appropriate.

A. Under Order in Council of the 4th July, 1895:—

(*a*) Officers will serve in the rank held in the Retired List.

(*b*) They will receive full pay as laid down in para. 2 (*a*).

(*c*) Retired pay will be suspended during re-employment.

(*d*) Officers will receive a bonus at the rate of 15 per cent. on the full pay earned (exclusive of allowances) but the time served will not count for increase of retired pay.

B. Under Order in Council of the 9th October, 1933:—

(*a*) Officers will serve in the rank they last held on the Active List, and any higher rank held in the Retired List will be in abeyance during re-employment.

(*b*) They will receive full pay at the rate they were receiving when last on full pay. The rate of full pay in each case will, however, be subject to any revision that the scale may have undergone since the Officer was last on full pay, except that the revised rates introduced for certain ranks in respect of entries on and after 5th October, 1925, do not apply to Officers entered prior to that date. The time served will count for increases of full pay. Time on the retired list when not serving does not count for increase of full pay.

(*c*) Retired pay will be suspended during re-employment.

(*d*) Time served during re-employment will not count for increase of retired pay.

C. Under either of the above-mentioned Orders in Council the following conditions will also apply:—

(*a*) In the case of Officers who have commuted any part of their retired pay or pension or who received gratuities on discharge, deductions will be made from their full pay equal to the amount of retired pay commuted or to the annual value of the gratuity, but no deductions will be made in respect of gratuities awarded to Officers under certain Temporary Special Retirement Schemes.

(*b*) Equipment allowances may be granted at the rates which are laid down from time to time provided that no Officer will receive the allowance if less than three years have elapsed between the date of retirement and the date of re-employment, and that no allowance will be repeated to the same Officer within a period of five years.

5. *Instruction.*—(*a*) Retired Officers who have been selected to fill appointments in time of emergency will undergo instruction as may be necessary to qualify them for the duties of the posts they will be required to take up. While undergoing such instruction they will receive in lieu of their retired pay, full pay as in para. 2 (without command money, but with equipment allowance), and allowances of the corresponding ranks on the Active List. In cases where the Officer's retired pay exceeds the full pay of his corresponding rank on the Active List, the payment of retired pay will be resumed. The time served will count for increase of pay, but not of retired pay.

(*b*) In the case of Officers who have commuted any part of their retired pay or pension or who received gratuities on discharge, deductions will be made from their full pay equal to the amount of retired pay commuted or to the annuity value of the gratuity, but no deductions will be made in respect of gratuities awarded to Officers under certain Temporary Special Retirement Schemes.

(*c*) Officers will not, however, be detained on courses of instruction in time of peace except with their own consent.

6. *Uniform.*—Retired Officers will be required to provide themselves with necessary articles of uniform only, viz.:—

Undress coat.	Sword.
Waistcoat.	Sword belt.
Trousers (two pairs).	Great coat.
Cap and badge.	Watch coat.
White tunics	If selected for service in hot climates.
White coats	
White trousers	
Helmet	
White cap	
Shoulder straps	

Mess undress is optional.

7. *Rank and Command.*—Subject to the following provisions as to the right of certain steps in rank given on or after retirement to confer the right to the title, uniform and advantages of the higher rank.

In cases where a step or steps in rank have been granted automatically by virtue of age or seniority, the Officers shall take command and to their seniority on the Retired List with the condition that Captains retired with flag rank shall in no case take command over Officers on the Active List of Flag Officers, or over those who has retired from the Active List of Flag Officers.

In other cases steps in rank given on retirement shall not give the right to command amongst Naval Officers, which shall be governed by the date of commission in the rank held on the Active List at the date of retirement.

If the insignia of more than one Order be so worn, one riband and badge only is worn round the neck as described above. The riband and badge so worn should be the senior, unless a junior or foreign badge is more appropriate to the occasion.

Other badges are worn, with Full Dress and Frock Coat and Epaulettes Dress, one below the other, each suspended from a small eye stitched inside the coat, on three inches of ribbon emerging from between the buttons of the coat, commencing between the first and second buttons on the right side of the coat. With White Full Dress and White Dress, the badges emerge from between the buttons as in Full Dress, but commencing one inch below the senior badge. Not more than three badges are worn in all.

* These Orders are not worn in Miniature and the ribands of the Orders are not worn with Undress Uniform.

† The Orders of Merit and of Companions of Honour are not worn in miniature but are worn round the neck on all occasions, except with Undress Uniform.

†† The Baronets' Badge is not worn in miniature, but is worn round the neck in the same manner as the neck badge of an Order. It takes precedence immediately after the Badge of the Order of Merit. The Badge may be worn with Full Dress, Ball Dress, Frock Coat with Epaulettes Dress, White Full Dress and White Dress.

** The Knights Bachelor's Badge is not worn in miniature, but is worn in the same manner as the Star of an Order. It is worn after the Star of a Knight Commander of the Order of the British Empire. The Badge may be worn with Full Dress, Ball Dress, Frock Coat with Epaulettes Dress, White Full Dress and White Dress.

‡ The Indian Order of Merit (Military and Civil) is distinct from the Order of Merit instituted in 1902.

§ If more than one of these Medals are awarded for the same act of gallantry, only one medal may be worn, namely, that which appears highest in the list.

§§ Medals awarded for services during the Great War (1914–1919) should be worn in the following order:—

1. 1914 Star.
2. 1914–1915 Star.
3. British War Medal.
4. Mercantile Marine War Medal.
5. Victory Medal.
6. Territorial Force War Medal.
7. India General Service Medal (for operations in Afghanistan, 1919).

The above order of Orders, Decorations and Medals, applies to those of similar grades. When the miniature or riband of a higher grade of a junior Order is worn with the miniature or riband of a lower grade of a senior Order the higher grade miniature or riband should come first, *e.g.*, the miniature or riband of a K.C.I.E. will come before a C.B., and a G.C.M.G. before a K.C.B.

(*b*) *Foreign Orders.*—In order of date of award.

(*c*) *Foreign Decorations.*—In order of date of award.

(*d*) *Foreign Medals.*—In order of date of award.

The riband of an Order, Decoration or Medal may be assumed from the date of the official notification of the award, and may be worn when the recipient attends for investiture.

Medals awarded by Societies.

10. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast similarly to those on the left and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, a silver medal previously granted.

Bar for Decorations, &c.

11. Decorations, Badges and Medals are to be worn on the left breast in one horizontal line, one inch below the point of the shoulder, suspended from a bar of which no part is to be seen, and commencing from the end furthest from the shoulder.

On the Full Dress Coat the bar must not project beyond the centre seam, and when the Orders, Decorations and Medals cannot, on account of their number, be suspended from the bar so as to be fully seen, they are to overlap, the highest shewing in full.

With Frock Coat and Epaulettes Dress the bar is to extend from the shoulder inwards and over the lapel of the coat, if necessary. To enable medals to be worn with a frock coat on which ribbons are already sewn in accordance with clause 13, small twist loops or beckets are to be fitted, to accommodate the pin of the medal brooch. These beckets are to be placed immediately above

Digitized by Google

or immediately below the top row of medal ribbons, according to the position of the pin on the brooch, and are to be so arranged that the ribbons on the frock coat shall be completely covered. Where more than four rows of medal ribbons are sewn on the frock coat it may be necessary, in order to cover them satisfactorily, for the medals to be mounted in Court style as described in clause 12, and slightly to lengthen the ribbons.

Ribbons when Decorations, &c., are worn.

12. When Orders, Decorations and Medals are worn, the Medal ribbons are to be of the following lengths :—

Full size	...	...	...	1¾ inch
Miniature	...	...	...	1¼ inch

Ribbons of these lengths carry four clasps. If more than four clasps are worn the length of the ribbon is to be regulated by there being half an inch of clear ribbon between the top edge of the ribbon and the highest clasp for full-sized medals, and ⅜ of an inch for miniatures, the remaining ribbons being so regulated that the centres of the medals are in line with the centre of the medal having the largest number of clasps.

Officers are to wear their medals loose, unless they have such a number as to necessitate overlapping, in which case they may at the option of the wearer be worn in the Court method. Miniatures may be worn either loose or in the Court method. In the Court method the ribbons are mounted on a frame of which the lower edge is in line with the centre of the decorations and medals. Commencing from the lower edge of the frame each ribbon runs over the upper edge and down to the ring or clasp of the decoration or medal. The decorations and medals are stitched down to the ribbons.

Ribbons when Decorations, &c., are not worn.

13. When Orders, Decorations and Medals are not worn, the ribbons worn are to be of the following lengths :—

Full size	...	...	...	½ inch
Miniature	...	...	...	⅜ inch

With blue uniform, the ribbons are to be sewn plain on the cloth of the uniform, without intervals. With white uniform, the ribbons are to be placed on a removable bar or bars. When the space is not sufficient to accommodate them in one row, they are not to be made to overlap, but are to be arranged in two or more rows placed the one immediately under the other, with an interval of ¼ inch intervening between the rows.

Ribbons of Orders, Decorations and Medals, to wear which private permission has been given, are not to be sewn on the coat.

Miniatures of Orders, Decorations, and Medals.

14. Miniatures of Orders, Decorations and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders and Commanders will wear on the bar, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders to which they belong. Only one set of miniatures need be maintained. The miniature of Companionship will not be removed when the Riband or Badge is worn by Knights Grand Cross, Knights Grand Commanders, Knights Commanders, &c. All miniatures are to be of the approved standard size, viz., one-half the size of the full-sized Decoration, Badge or Medal.

With Ball Dress, Mess Dress and White Mess Dress, miniatures are to be worn on a bar on the lapel, extending over the lapel towards the shoulder if necessary. They are not to extend beyond the lapel on the inner side.

Ribbons of miniatures are similarly to be worn on the lapel of Mess Undress and White Mess Undress Jackets.

Decorations, &c., with plain cloths.

15. Insignia of Orders, Decorations and Medals are authorised to be worn with *evening dress* on the following occasions :—

Officers may also, should they wish to do so, wear Insignia of Orders, Decorations and Medals with *morning dress* on appropriate official occasions and at public functions.

SECTION V.

BADGES.

1. Badges are of three types:—

Substantive badges, i.e., badges denoting substantive rating.

Good conduct badges.

Non-substantive badges, i.e., badges denoting special qualifications or duties.

2. The *crown* in the substantive badge denotes the rank of petty officer or above, being worn in either the arm or the cap badge. When worn to a non-substantive badge, the crown denotes a qualified instructor in the particular rating that the badge represents, or a rating who has attained a rank which implies capacity for departmental responsibility and command of a high order. It indicates a definite advance in technical qualifications implying suitability for increased responsibility —not merely an advance resulting solely from seniority.

The *star* (or stars) added to the non-substantive badge indicates an advance in the non-substantive qualification of the wearer which carries with it an increase of pay and is not already indicative of an advance in substantive rank.

3. *Substantive badges.*—The badges indicating substantive rating are as follows:—

Petty officer—crossed anchors surmounted by a crown.

Leading rate—an anchor.

Substantive badges are *not* worn by chief petty officers whose rating is denoted by their distinctive cap badge and by the three large gilt buttons on the cuffs. Substantive badges are worn on the left arm by petty officers and leading rates (trade artificers and shipwrights who entered the service since 20th November, 1925).

The base of the device is to be 5 inches from the point of the shoulder.

Substantive badges as indicated in para. 3 are to be worn by petty officers and leading rates on the left arm of overcoats, overall suits, canvas jackets (stokers) and tropical singlets.

4. *Good conduct badges.*—Good conduct badges are *not* worn by chief petty officers but are worn by all other ratings entitled to them. Good conduct badges are to be worn on the left arm, the line joining the upper points of the first badge to be 5 inches from the point of the shoulder (see sketch). The badges are to be hemmed on the foundation—the gold and red on a cloth foundation blue on a drill foundation—yellow thread is to be used for gold badges, red thread for red badges and blue thread for blue badges

The edges of the foundation are to be cut plain and are to be ¼ inch from the badge.

When more than one good conduct badge is worn, the distance between them is to be 1 inch measured perpendicularly.

Good conduct badges are *not* worn on overalls, overall suits, canvas jackets (stokers) or tropical singlets.

5. *Non-substantive badges.*—Non-substantive badges are worn by all chief petty officers, petty officers, leading rates and men entitled to them. Artificers will not wear non-substantive badges.

With certain exceptions shown below, non-substantive badges are worn:—

(*a*) By chief petty officers on each side of the collar of the jacket, on the right side of the white tunic immediately above the centre gilt button, and on the right arm of the overall suit.

(*b*) By all other ratings on the right arm, the centre of the device being midway between the point of the shoulder and the point of the elbow.

Non-substantive badges are not worn on great coats, canvas jackets (stokers) or tropical singlets.

Naval patrol armlet.—All petty officers, seamen and marines who are temporarily employed on regulating branch, or patrol duties, are to wear the naval patrol armlet on the left cuff whilst so employed on duty.

Good shooting badges are to be worn by marksmen 1½ inches above the point of the cuff of serge jumpers or from the end of the cuff of jackets.

The diver's badge is to be worn on the left arm in a similar position to the good conduct badge. The wearing of the diver's badge by all

Submarine detector badges.—Telegraphist or nal ratings employed on submarine detector ties are to continue to wear the telegraphist or nal badge and will not wear the special badge submarine detector ratings.

They are to be worn from the centre outwards (i.e., with the head of the Sovereign showing), commencing with the end farthest from the shoulder:—

On being drafted to service abroad they will be required to provide themselves with the two drill suits included in the class II kit at their own expense.

(i) These articles are issued under the conditions set out in the Manual of Victualling. Boys are supplied with clews and lashings while under training in order that they may point and grommet articles before going to sea. *See* Training Service Regulations.

In no case will the award be made more than once to the same officer.

The prize consists of a book or books selected by the recipient with the approval of the President, R.N. College, Greenwich.

PRIZES, TESTIMONIALS, &c.—*continued.*

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Chart Branch at the Admiralty; and they will be empowered to make no award should they judge the plans received during the year not to be sufficiently meritorious.

SICK BERTH PETTY OFFICERS' EFFICIENCY MEDAL.

A medal called the Sick Berth Petty Officers' Efficiency Medal is awarded annually in rotation to one of the Sick Berth Petty Officers of the Portsmouth, Devonport, and Chatham Port Divisions in successive years, for zeal and efficiency shewn in the discharge of his duties during the preceding year.

Senior Medical Officers of H.M. Ships and hospital ships, and establishments generally, will be entitled to forward direct to the Surgeon Rear-Admiral of the R.N. Hospital, Haslar, Plymouth or Chatham (according to which Port Division is entitled to the medal for the year as notified in Admiralty Fleet Orders) the names of Sick Berth Petty Officers whom they recommend for the medal. Each recommendation is to be accompanied by a copy of service certificate and S. 1246 L, together with a statement of any special services rendered during the year. Recommendations must reach the Surgeon Rear-Admiral not later than the 15th March and are to be forwarded on the 1st January.

The medal is not to be worn.

THE BERTRAND STEWART PRIZE ESSAY

The Bertrand Stewart Prize consists of a sum of £70 devoted annually as a prize for "the best paper on some military subject, the study or discussion of which would tend to increase the efficiency of His Majesty's Services."

The subject of the essay for each year is published in the Army Quarterly and in Admiralty Fleet Orders.

The right to compete is limited to British subjects who have served, or who are actually serving, as Officers or in other ranks or ratings of His Majesty's Forces.

The term "His Majesty's Forces" includes the Navy and the Royal Marines, the Regular Army, The Special Reserve, The Territorial Army, The Militia, and the Royal Air Force, and also the Naval, Military and Air Forces of India, the Dominions and Crown Colonies.

The essays submitted for the prize must not exceed 10,000 words in length; they must be typewritten and submitted in quadruplicate.

The authorship of the essays must be strictly anonymous. Each competitor must adopt a motto and enclose with his essay a sealed envelope with his motto typewritten on the outside and his name and address inside.

The title and page of any published or unpublished work, to which reference is made in any essay or from which extracts are taken must be quoted.

The essays, which are to be addressed to the Editors of the Army Quarterly, must reach the office of the Army Quarterly, 94, Jermyn St., London, S.W., not later than (date to be published).

The essays will be judged by three referees, two to be appointed by the Army Council, the third to be one of the Editors of the Army Quarterly. The decision of the referees, or of the majority of them, will be final.

The referees are fully empowered if in their opinion, or in the opinion of the majority of them, no essay submitted to them comes up to a sufficiently high standard of excellence, not to award the prize; or they may, if they consider it desirable, divide the prize among two or more competitors.

The result of the competition will be known in the Army Quarterly, and the prize essay will be published in the Review. In the event, however, of there being two or more prize essays, the Editors of the Army Quarterly reserve to themselves the right of deciding which of the essays they will publish.

The copyright of any essay which appears in the Army Quarterly belongs to the Proprietors of the Review.

Neither the Proprietors nor the Editors of the Army Quarterly are to be held responsible for loss of, or failure to return any essay sent in for the competition, nor do they incur any responsibility whatsoever in connection with the receipt of the essays, any dealings therewith, the judging of them, or the reports thereon.

THE HAROLD TENNYSON MEMORIAL PRIZE.

This Prize was founded in 1917 by Mrs. Tennyson in memory of her son, Acting Lieutenant The Hon. Harold Courtenay Tennyson, R.N., of H.M.S. "Viking," who was killed in action on the 29th January, 1916.

The interest on a sum of £220 Consols Stock, held upon trust by the Admiralty, is employed in providing a Prize to be awarded each term to the Cadet of the Ninth Term at the Royal Naval College, Dartmouth, who competes successfully in an Examination in English Literature. The examination is on the work of the great English Prose or Poetical Writers, including from time to time, one or more of the late Lord Tennyson's poems.

The prize consists of books, including a handsome volume edition of the late Lord Tennyson's complete works.

THE WHARTON TESTIMONIAL

The Wharton Testimonial was founded in 1909 to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., as Hydrographer of the Navy from 1884 to 1904. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £950. The interest on a portion of this sum will be added to the interest on the funds of the Beaufort Testimonial and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to the Naval Officer. The interest on the remainder will be used to purchase for the winner of one of the prizes a gold medal having on the obverse a portrait of the late Sir William Wharton, and on the reverse a suitable inscription.

The two awards for the same object will be made annually under the names of "The Beaufort Testimonial and the Wharton Testimonial," associating the names of two Hydrographers of the Navy.

On the entry of a Cadet, parents or guardians will required to undertake that in the event of his hdrawing or being withdrawn from the College from the Navy before being confirmed as a b-Lieutenant or Sub-Lieutenant (E), or before ching the age of 21, whichever is the earlier, y will pay to the Admiralty, if demanded, the n of £40 per term in respect of each term passed him at the R.N. Appointments to Naval Cadetships are made by the First Lord from among candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (*see* para. 7) and a Qualifying Examination in educational subjects (*see* para. 8). The fee for the Qualifying Examination is £2.

The fact, however, of a candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

Travelling and other expenses incurred in connection with interview and medical examination cannot be recovered from the Admiralty.

* Candidates are eligible only for one interview and qualifying examination.

Physical Standard.

7. Every candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the qualifying examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

The Medical Examination includes dental examination. If remediable dental defects are discovered, the parents or guardians of successful candidates are required to arrange for necessary treatment to be undertaken, at their own risk and expense, before the Cadet is due to join the Royal Naval College, Dartmouth, where a further examination of the teeth will be made.

* Should any case occur where a selected candidate is prevented by illness from attending the Qualifying Examination, the Admiralty will consider whether special arrangements can be made for him to be examined by the Head Master of the Royal Naval College, Dartmouth, either at the end of the current term or at the beginning of the ensuing term.

This Appeal Board will consist of the Medical Director General of the Navy together with a physician, or a surgeon, or a specialist nominated by the Medical Consultative Board, according to the nature of the alleged disqualifications or disqualifications.

10. Successful candidates who are the sons of icers of the Royal Navy, Royal Marines, Army, Royal Air Force who have been killed in action have died of wounds received in action, whether oat or ashore, or have died through the destruc-n of their ship or have been drowned or have fered other violent death due directly and wholly War service, or have died of disease attributable active service, may be appointed as King's dets.

King's Cadets will be entitled to the following vileges in cases where the Admiralty are of inion that substantial help is needed towards the penses of their Naval training:—

(1) The grant of an outfit allowance of £40 on the first entry.

(2) The remission of fees at Dartmouth.

(3) The remission of supplementary allowances mentioned in clause 18.

In cases where the above conditions are fulfilled Cadets already in the Service, the Admiralty y, at their discretion, authorise the remission of future payments in respect of training fees, d supplementary allowance.

King's Cadets will be eligible for Children's Allowances as prescribed by the Regulations, but will not receive Educational Allowances.

Applications for King's Cadetships must be received a month before a Cadet is due to join Dartmouth.

Duration of Course, Terms, &c.

11. Naval Cadets will undergo a course of instruction at the R.N. College, Dartmouth, extending over 11 terms or 3¾ years. On passing out of Dartmouth they will be sent to sea for a further period of training as Naval Cadets before being rated Midshipmen.

12. The following are the approximate dates for the beginning and the end of the three terms at the College and the lengths of the vacations:—

16th Jan. to 8th Apr. Four weeks at Easter (vacation).

6th May to 4th Aug. Seven weeks at Midsummer (vacation).

22nd Sept. to 21st Dec. Four weeks a Christmas (vacation).

13. The friends of the Cadets must be prepared to receive them during all the vacations.

14. All Naval Cadets while at the Royal Nava College, Dartmouth, and while serving with the Fleet shall be subject to the regulations respecting Cadets in force for the time being.

Naval Cadets may be called upon to undergo a trip in a submarine during their course at the College.

Financial Arrangements.

15. For Cadets entering under these regulations, payment will be at the rate of £150 per annum for the period under training at the College, to be paid in sums of £50 every term in advance of receipt of a claim from the Director of Navy Accounts, to whom cheques crossed "Bank of England" should be made payable. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered on each occasion a number with respect to whom reduced fees will be allowed. The reduced scales will be allowed only in cases where the pecuniary circumstances of the parents are, in the opinion of the Lords Commissioners of the Admiralty, such as to justify it. Forms of application for admission at the reduced scales will be issued in respect of all candidates who are selected* after the interview to attend the Qualifying Examination, and when duly filled in should be returned as soon as possible *by such parents as desire to make application for the reduced scale* If the parents or guardians of a Cadet are resident abroad, arrangements should be made with an agent in Great Britain to pay claims for fees, &c. In such cases (and others in which payment is made through an agent, *e.g.*, banker, relative, &c.) the name and address of the agent should be communicated to the Director of Navy Accounts.

Parents or guardians who may find especial difficulty in meeting the initial cost of outfit may, at Admiralty discretion, be granted an outfit allowance of £40 with a corresponding increase in the rate of fees which would otherwise have been charged. Special application should be made to the Admiralty when the application for reduced fees is forwarded, if parents or guardians desire to avail themselves of this arrangement.

If a Cadet is absent *at home* on sick leave for a period of 21 days or more in any one term, an abatement of half the normal fee *for the period of his absence* is made from the claim for the following term, when the full duration of his absence is known. No such abatement is granted when a Cadet is sick in a Naval Hospital.

* *Parents abroad will, however, be furnished with forms of application prior to this selection if they so ire.*

16. In addition to the above payments, any expenses incurred by a Cadet for clothing sports, books, instruments, washing, &c., as well as the allowance of 1*s.* a week paid as pocket-money, are included in the account sent to the Parent by the Director of Navy Accounts.

17. No pay is allowed to the Cadets in the College except in the case of Cadet Captains, who receive a small weekly allowance.

18. The fees specified in paragraph 15 will cease on the Cadet leaving Dartmouth, when he will normally be sent to a Cadets' training ship, for a period of approximately four months, to complete his training before being appointed Midshipman. During the period of training in the Cadets' training ship he will be paid at the rate of 1*s.* a day, and an allowance at the rate of £36 a year, payable in advance, will be required from his parent or guardian to cover his expenses. This allowance together with the Cadet's pay of 1*s.* a day and the allowance for messing, should normally be sufficient to meet his expenses during the cruise, but should this not be the case, the deficit, which would probably be of small amount would be chargeable to the parent or guardian. In the event, however, of a Cadet being sent to a seagoing ship of the Fleet (not a training ship), his naval pay will be at the rate of 4*s.* a day and his parent or guardian may be required to pay in advance an allowance at the rate of 1*s.* a day, which will be used to supplement his naval pay. The allowances will be claimed periodically by the Director of Navy Accounts.

18*a*. It is undesirable that young officers should have control of considerable sums of money. The pay of Midshipmen is sufficient to enable them to meet their normal current expenses afloat, and it should therefore not be necessary for parents or guardians to make them personal allowances, except as may be required to meet the cost of uniform and of travelling expenses on leave. If the parent or guardian of one of these officers desires that he should have greater means to enable him to visit places of interest whilst serving abroad, he may remit a sum, not exceeding £20 per annum, to the Director of Navy Accounts, to be placed by him under the control of the Captain, to be expended for the purpose stated and at such times as the Captain may approve.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

20. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

Medical and Dental Treatment.

21. While at the R.N. College, Cadets may receive free of expense such treatment as can be afforded by the Naval Medical Staff, or in the Sick Quarters, of the College. They are admitted to Naval Hospitals for treatment only in exceptional circumstances. When so admitted, no charge for treatment is made, but the normal College fees continue to be payable. Cadets are not eligible for medical treatment at the public expense whilst on leave.

22. Cadets while at the R.N. College are not eligible to receive dental treatment at the public expense and parents or guardians should arrange for Cadets to receive necessary dental treatment during vacations. Should urgent dental treatment be found necessary during term, the Cadet will be referred to a local civilian dental surgeon, the cost of treatment being defrayed by the parent or guardian.

23. Cadets borne for pay for service (see para. 17) are eligible for medical and dental treatment at the public expense, under the regulations applicable to officers generally.

General Regulations at Dartmouth.

24. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money and no charge is made to pay the expenses attending their amusements, it is unnecessary that the parent should give them any money except on joining or on their return from the vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special occasion will be advanced by the Paymaster under the authority of the Captain.

25. Any valuable gold watches or rings brought by Cadets to the Colleges will be taken from them and placed in security until the time of return home. Silver watches may be used.

26. Instructions to Cadets joining the College for the first time will be sent by the Chief Petty Officer. Cadets rejoining the College will be expected to make their own arrangements for this.

27. Cadets are to bring their linen clothes and boots in good order, when they join the College, and also when they return from leave, so that the outfit must be complete. A list of the articles left behind will be sent with the Cadets when they go on leave.

28. Cadets are not permitted to open accounts with tradesmen. Parents or guardians are requested not to allow their sons' orders to be supply clothes or other articles without their authorisation.

29. Each cadet on joining and on returning after the vacations is required to produce a health certificate—signed by his parent or guardian, and dated *not earlier than the day before the Cadet's return*—to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease had existed. A form will be drawn up in the necessary form, is sent to the parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return may entail his *not being received*.

In the event of a Cadet being placed on the sick list information is always sent to his parents or guardians, who are also kept informed of the progress of the patient should the illness be of a slightest degree serious.

With a view to dealing with possible cases of fever outbreaks in the College, all new entries will, subject to parents' consent, undergo the Widal test to ascertain their susceptibility to the disease.

30. Letters relative to the Cadets should be addressed to:—"*The Commanding Officer*, Naval College, Dartmouth," or "*The Commanding Officer*, H.M.S. ——, *c/o G.P.O., London*," the Cadet is serving afloat, and not to the Captain by name.

Parents or guardians of Cadets must inform the Admiralty and the Commanding Officer of the College or the Ship in which the Cadet is serving of any permanent change of residence without delay.

12. A Cadet must also produce on joining a health certificate to the effect that he has not suffered from, or been exposed to, infectious disease during the previous 30 days.

13. Successful candidates will, on receipt of the certificate of ability to swim, be entered as Naval Cadets and appointed for 8 months' training as such, divided into two terms, in H.M.S. "Frobisher," the seagoing training cruiser. Cadets will be required to join the training ship in May (if successful at the March examination) or in September (if successful at the June examination) or the middle of January (if successful at the November examination). The date of first joining will be notified to the candidates by the Admiralty. Leave is usually granted in the training ship for the following periods:—

At Christmas:—Four weeks, approximately.
At or after Easter:—Four weeks, approximately.
In the summer:—Six weeks, approximately.

During this period of training, Naval Cadets entered through the special entry will be subject

to the same regulations as Naval Cadets generally. They will be regarded as on probation, and a Cadet may be required to be withdrawn at any time, if in the opinion of the Admiralty,

(i) he fails to reach a satisfactory standard; or
(ii) his conduct is unsatisfactory; or
(iii) he is considered unsuitable for the Naval Service.

14. On completion of the 8 months' training, Cadets are rated Midshipmen, subject to qualifying in the passing-out examination, Executive Branch Midshipman proceeding to ships of the Fleet and Engineering Branch Midshipman to a course of study at the Royal Naval Engineering College, Keyham, Devonport. From this point they come under the ordinary regulations for Naval Officers.

15. Parents or guardians are required to make on behalf of a Cadet, a private allowance at the rate of 36*l.* per annum during his period as a Naval Cadet. This allowance, which will be claimed by the Director of Navy Accounts, periodically in advance, is utilised to provide for all necessities incidental to the Cadet's training (*e.g.*, purchase of books, &c.) and is in no way a personal allowance to the Cadet himself. Private allowance, together with the Cadet's pay of 1*s.* a day and the allowance for messing, should normally be sufficient to meet his expenses, other than clothing, travelling expenses and expenses when on leave, but should this not be the case, the deficit, which would probably be of small amount, would be chargeable to the parent or guardian. The Admiralty consider it undesirable that young Officers should have the control of large sums of money, and arrangements can be made for travelling expenses and any money which may be required for any special circumstances to be advanced by the Accountant Officer of the Officer's ship, with the authority of the Commanding Officer, and recovered from the parent or guardian. Private allowance ceases on a Cadet being rated Midshipman, but parents or guardians must be prepared, during the period as Midshipman, to give the Officer some small assistance. On promotion to Acting Sub-Lieutenant (normally after two years as Midshipman) an Officer should be able, with reasonable economy, to meet all his expenses, except perhaps for uniform, out of his pay.

16. The parent or guardian of every Cadet is required to provide him with an outfit as laid down in the regulations for the time being in force. Certain additional uniform is required on being rated Midshipman, and an Officer, on promotion to Acting Sub-Lieutenant or Acting Sub-Lieutenant (E), is required to provide himself with the uniform of a Commissioned Officer, when a grant of 50*l.* towards the cost of uniform is made. The allowances are paid under certain conditions as to refund, if the Officer does not remain in the Service. The outfit allowance may, at Admiralty discretion, be paid to the Officer's parent or guardian if a claim is lodged before payment has been made to Officer.

17. Successful candidates who are the sons of Officers of the Royal Navy, Royal Marines, Army, or Royal Air Force, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly or wholly to war service, or have died of disease attributable to active service, may be appointed as King's Cadets, and granted the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of Naval training:—

(1) The grant of an outfit allowance of 10*l.* on first entry; and (2) the remission of private allowance.

Application for King's Cadetships should not be made until the results of the [illegible] examination are known, and should be addressed to the Secretary of the Admiralty.

In cases where the above conditions are not met by Cadets already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of private allowance.

King's Cadets will be eligible to claim the receipt of children's allowances as prescribed by the regulations, but will not receive education allowances.

18. Parents or guardians of Naval Cadets are in all cases of a permanent change of address to inform the Admiralty and the Commanding Officer of the training ship.

19. These regulations do not apply to Naval cadetships at the R.N. College, Dartmouth, communications regarding which should continue to be addressed to the Admiralty.

The burden of clear proof of nationality of candidates will rest upon their parents or guardians, who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity.

Candidates who possess a foreign, as well as British, nationality may, in certain cases, be regarded as ineligible for entry into the commissioned ranks of the R.N. and R.M. Parents or guardians are therefore advised to seek an early decision from the Admiralty as to the eligibility for entry of prospective candidates possessing double nationality.

Before admission to an examination a candidate must satisfy the Civil Service Commissioners that he is eligible in respect of character and record, and must produce school Certificate "A" or School Certificate "B" obtained by passing one of the following examinations :—

Provided further that a candidate educated in Scotland or Northern Ireland may, in place of School Certificate A or B, produce a certificate from the Scottish Education Department or the Ministry of Education for Northern Ireland showing that he has attained a standard equivalent to that of the School Certificate of the Oxford and Cambridge Schools Examination Board, and that a candidate educated in the self-governing Dominions or elsewhere overseas must produce evidence satisfactory to the Civil Service Commissioners of having attained a suitable standard.

In exceptional cases, where it has been proved to the satisfaction of the Commissioners that a candidate has been prevented by unavoidable causes from obtaining a School Certificate or its equivalent, the Commissioners may, at their discretion, admit the candidate to the examination, provided they are satisfied that his general education is up to the standard required to obtain such a certificate.

As part of the scheme of examination, all candidates who satisfy the foregoing conditions will be required, irrespective of whether or not they have competed at a previous examination, to present themselves before a Committee which will sit at the Civil Service Commission, Burlington Gardens, London, W. 1. For candidates taking the written examination in London or in centres near London the interview may precede the written examination ; for candidates from more distant centres the interview will usually follow the written part of the examination. The Board will examine each candidate separately at the rate of about six candidates daily. The dates for interview will be communicated to the candidate by the Civil Service Commission. Marks will be awarded by the Committee on the results of the interview and the particulars obtained from the candidate's school (or schools) as to his conduct, abilities, and training and general promise of suitability, but no candidate awarded less than 50 marks in a maximum being 400, will be accepted.

1. An examination for appointments to Paymaster Cadetships, R.N., is held by the Civil Service Commission three times a year, in March June and November. The examination in June and November is a joint one for the Navy Army and Air Force, at which candidates may compete also, subject to their satisfying the necessary conditions as to age, &c., for appointments as Naval Cadets (Special Entry), for executive or engineering, for First Appointments in the Royal Marines, or Cadets in the Royal Indian Navy, or for entry into the Royal Military Academy, Woolwich, or the Royal Military College, Sandhurst, or for entry into the Royal Air Force (Cadet) College, Cranwell (*see* paragraphs 10 and 11). The number of Paymaster Cadetships offered for competition is notified in the Press from time to time, or may be obtained from the Admiralty in November, March or July. One service nomination in addition is offered annually (*see* paragraph 17).

The written examination in June and November is held in London and in certain other centres, a list of which may be obtained on written application to the Secretary, Civil Service Commission, Birlington Gardens, London, W.1. The interview and the oral and practical tests will, however, take place only in London. The fee for the examination in London will be £4. The fee for the written part of the examination at any other centre will be £5, in addition, in some cases, to a local fee payable to the College or School authority. The March examination is held in London only.

2. In order to be eligible for examination for Paymaster Cadet, a candidate must have attained the age of 17, and must not have attained the age of 18 years 8 months on the undermentioned dates:—

The portion of the year will be reckoned by calendar months.

Every candidate will be required to furnish the Civil Service Commissioners, as soon as called upon to do so, with an extract from the register of his birth, or, if this cannot be obtained, a certificate of his baptism, or other documentary evidence, accompanied by a statutory declaration made by one of his parents or guardians before a magistrate, giving the exact date of his birth.

3. Candidates must be British subjects of pure European descent and the sons of persons who are British subjects at the time of the boy's entry. The burden of clear proof of nationality of candidates will rest upon their parents or guardians, who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity.

Candidates who possess a foreign, as well as British, nationality may, in certain cases, be regarded as ineligible for entry into the commissioned ranks of the R.N. and R.M. Parents or guardians are therefore advised to seek an early decision from the Admiralty as to the eligibility for entry of prospective candidates possessing double nationality.

Candidates must be unmarried.

A candidate will not be accepted if he is not, in the opinion of the Admiralty, in all respects suitable to hold a commission in the Royal Navy.

4. Examinations, of which due notice in the press and to all applicants will be given, will be held three times a year. The first examination will ordinarily be held early in March; the remaining examinations will ordinarily begin on the fourth Tuesday in June and the third Tuesday in November. Every candidate must obtain the necessary printed form of application* for admission to the examination, which will be furnished [illegible] by letter, addressed to the Secretary, Civil Service Commission, Burlington Gardens, London, W.1.

The form * must be filled up in the candidate's own handwriting and should be returned to the Secretary, Civil Service Commission, as early as possible.

The closing date for applications, usually about two months before the examination, is announced by the Civil Service Commissioners. No applications can be considered after this date except on payment of a special fee of £4 additional to the fee above prescribed. Applicants by rare exception pay this additional fee when called upon, but will be accepted provided they are received not more than six days after the closing date.

No question as to the delay or loss in the receipt of any such application form can be entertained.

Any candidate who has filled up and returned the printed application form, but has not received an acknowledgment of it within four clear days, should at once write to the Secretary, Civil Service Commission. Failure to comply with this provision may deprive the candidate of his claim to consideration.

A separate form of application must be carefully filled up and duly returned by a candidate in connection with each examination which he wishes to attend.

5. Applicants, before being admitted to the examination, must satisfy the Civil Service Commissioners that they are eligible in respect of character and record, and must produce a valid School Certificate A or School Certificate B obtained by passing one of the following examinations:—

The School Certificate Examination of the Oxford and Cambridge Schools Examination Board;

The School Certificate Examination of the Oxford Delegacy for Local Examinations;

The School Certificate Examination of the Cambridge Local Examinations Syndicate;

The School Certificate Examination of the University of Bristol;

The School Certificate Examination of the University of Durham;

The General School Examination of the University of London;

The School Certificate Examination of the Northern Universities Joint Matriculation Board;

The School Certificate Examination of the Central Welsh Board;

Provided that, in place of School Certificate A or B, a candidate may produce evidence of having passed the Matriculation Examination of London University or any other examination which in the opinion of the Civil Service Commissioners is of equivalent or higher standard. Provided further that a candidate educated in Scotland or Northern Ireland may, in place of School Certificate A or B, produce a certificate from the Scottish Education Department or the Ministry of Education for Northern Ireland, showing that he has attained a standard equivalent to that of the Senior Certificate of the Oxford and Cambridge Schools Examination Board, and that a candidate educated in the self-governing Dominions or [illegible] overseas must produce evidence satisfactory to the Civil Service Commissioners of having attained a suitable standard.

In exceptional cases, where it has been proved to the satisfaction of the Commissioners that a candidate has been prevented by unavoidable causes from obtaining a School Certificate A or B equivalent, the Commissioners may, at their discretion, admit the candidate to the examination provided they are satisfied that his general education is up to the standard required to obtain such a Certificate.

* *Note.*—The forms of application are ready for issue about four months before the date of each examination.

in which case he must express definitely his order of preference. No candidate may after the last day for application add to his choice of cadetships, and no candidate may after the beginning of the written examination change his statement of preference.

11. Regulations relating to the other Cadetships mentioned above may be obtained on application as follows :—

A Cadet must also produce on joining a health certificate to the effect that he has not suffered from, or been exposed to, infectious disease during the previous 30 days.

13. Successful candidates will, on receipt of the certificate of ability to swim, be entered as Paymaster Cadets and appointed for 8 months' training as such in the seagoing training cruiser. Paymaster Cadets will be required to join the training ship in May (if successful at the March examination), in September (if successful at the June examination), or in January (if successful at the November examination). The date of first joining will be notified to the candidates by the Admiralty. Approximately 3 weeks' leave is granted from the training cruiser at Easter, 6 weeks during the summer and 4 weeks at Christmas. On completion of their training in the training cruiser such leave as the exigencies of the Service will permit is granted before appointment to a seagoing ship of the Fleet.

During their period of training Paymaster Cadets are subject to the regulations for the time being in force respecting such Cadets. They will be regarded as on probation, and a Cadet may be required to be withdrawn at any time, if in the opinion of the Admiralty

During the period in the training ship, parents or guardians are required to make on behalf of a Paymaster Cadet a private allowance at the rate of £36 per annum. This allowance which will be claimed by the Director of Navy Accounts periodically in advance, is utilised to provide for all necessities incidental to the Cadet's training (*e.g.*, purchase of books, &c.) and is in no way a personal allowance to the Cadet himself. Private allowance, together with the Cadet's pay of 1*s.* a day and the allowance for messing, should normally be sufficient to meet his expenses, other than clothing, travelling expenses and expenses when on leave, but should this not be the case, the deficit, which would probably be of small amount, would be chargeable to the parent or guardian.

15A. The Admiralty consider it undesirable that young Officers should have the control of large sums of money, and arrangements can be made for travelling expenses and any money which may be required for any special circumstances to be advanced by the Accountant Officer of the Officer's ship, with the authority of the Commanding Officer, and recovered from the parent or guardian.

16. The parent or guardian of every Paymaster Cadet is required to provide him with an outfit as laid down in the regulations for the time being in force. Certain additional uniform is required on being rated Paymaster Midshipman, and an Officer, on promotion to Acting Paymaster Sub-Lieutenant, is required to provide himself with the uniform of a Commissioned Officer, when a grant of 50*l.* is made towards the cost of uniform, under certain conditions as to refund if the Officer does not remain in the Service. This grant may, at Admiralty discretion, be paid to the Officer's parent or guardian, if a claim is lodged before payment has been made to the Officer.

17. Candidates who are the sons of Officers of the Royal Navy or Royal Marines who have been killed in action or who have been lost at sea on active service, or killed on duty, or who have died of wounds received in action or injuries received on duty within 6 months from the date of such action or injury, or who have performed long and meritorious service, are eligible for selection for nomination as the Service Candidate. Such candidates are required to take the examination prescribed in Appendix II in the same manner as other candidates. The selection of the Service candidate will be made from among eligible candidates who are unsuccessful in the examination but who qualify therein and who are medically fit.

After entry, his place on the list of Paymaster Cadets is, however, governed by the marks obtained in the same way as other Candidates.

Applications to be considered for the Service nomination should be addressed separately to the Secretary of the Admiralty not later than the date on which the application to take the Civil Service examination is forwarded to the Civil Service Commission, as prescribed in paragraph 4. The award of the Service nomination will be notified by the Secretary of the Admiralty.

18. Parents or guardians of Paymaster Cadets must, in all cases of a permanent change of residence, inform the Admiralty and the Commanding Officer of the Cadet's ship.

The number of vacancies in the respective trades in each Dockyard will be fixed before each examination, but no undertaking is given that any Apprenticeship will be offered for any of the above-named Dockyards or in any trade.

2. The Lists of Candidates for these appointments are kept at the office of the Civil Service Commissioners. All applications for the Forms to be filled up by persons who wish to compete must be sent to the *Secretary, Civil Service Commission, London, W.*, on or after the first of January in each year. Care must be taken that the Forms when filled up reach the *Civil Service Commissioners* on or before the 1st March *following* (or, if that date should fall upon a Sunday or public holiday, then, on or before the first day thereafter on which their Office is open), as no action will be taken on Forms received after that date.

No Candidate will be allowed to compete at any other examination for entry as an Apprentice at more than one Dockyard.

3. *Special Entry by Nomination.*—A limited number of vacancies for Apprentices will be reserved annually at the several Dockyards for candidates nominated by the Admiralty on the recommendation of the Superintendents of the Home Dockyards, in accordance with the Admiralty Regulations on the subject. These nominations will be confined to the sons of men who have served in the Royal Navy, Army, Royal Marines, or Royal Air Force, or in civilian employment in Naval Establishments. Generally, nominations will be granted only to the sons of those men who have lost their lives (or earning capacity) on active service in H.M. Forces, or otherwise in the execution of their duty; and to Candidates who have claims on account of the long and faithful service of their parents. In the latter category applications will be admitted only from necessitous Candidates who are either fatherless or are placed at special disadvantage on account of family circumstances. Application for nomination should be made to the Superintendent of the Dockyard in which the Candidate desires to be entered, not later than the 1st January in each year. The Candidates who are recommended for nomination will be required to compete at the Open Competitive Examination in the ordinary way, and the nominations will be awarded by the Admiralty to those recommended Candidates who are placed highest in the examination list in order of merit at the respective Dockyards (excluding those who are successful in the Open Competition). For these candidates vaccination will be a condition of transfer into an adult grade, and steps will be taken to ensure that vaccination is performed before transfer.

This exception does not apply to Candidates who have been vaccinated in childhood and infancy. Where vaccination or re-vaccination has been performed within the previous 5 years, Candidates should produce evidence to that effect at the medical examination, so as to satisfy the Medical Officer that they are efficiently protected against small-pox.
